ULTIMA II

**T**he Ultima Series; A standard in comfort, control, and ergonomics for years is better than ever as we introduce the new and improved ULTIMA II.

ULTIMA II offers a full family of seating products from guest to task seating to management versions. ULTIMA II encompasses a full range of features, providing fully adjustable, ergonomically correct seating for every office application. Each ULTIMA II is equipped with Molded Ultrafoam® a Chromcraft exclusive for a soft luxurious seating experience. Below are just some of the many options available on the task and management version chairs.

- 
- Back height is adjusted with a simple ratchet type mechanism for easy adjustment while still seated.
  - Lockable seat and back adjustment feature for a customized fit.
  - Built in lumbar support.
  - Horizontal and vertically adjustable "Lever Lat" arms provide simple easy adjustments.
  - Heavy Duty "Class Four" pneumatic cylinder is standard for easy height adjustment without the added cost.
  - Multiple mechanisms allow you to custom match the Ultima II to your specific needs.
  - Heavy Duty 55mm casters and high-strength, reinforced molded base are standard.
