

CAFÉ TABLE

Sturdy construction and multipurpose design make the new café-height tables from Zoom Seating masters of versatility. Their round and square tops are supported by a single-column disk base that allows plenty of leg room. Their simple lines and clean harmony of materials provide fresh appeal. Available in 17 wear-resistant laminates, these functionally flexible tables offer the perfect choice for dining areas, lounge settings, student unions, break rooms and other casual spaces where an economical solution is desired.

ZOOM® Seating

Move Ahead.
